Jason Dickstein, President
Washington Aviation Group, PC

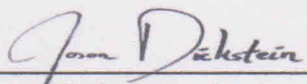

Record of Training

This document certifies that Lena Jabel has successfully completed two days of hazardous materials training presented by the Washington Aviation Group. The above-named employee has been trained and tested in accordance with 49 C.F.R. § 172.700 et seq. The training included the following topics:

- Hazardous Materials Regulations Familiarization
- Hazardous Materials Recognition and Identification
- Hazardous Materials Safety, Including Accident Prevention, Self-Protection and Emergency Response
- Hazardous Materials Threat Recognition and Security
- Function-Specific Training Applicable to the Shipping of Aviation Industry Hazardous Materials
- Modal-Specific Training Applicable to Shipment by Air and Incidental Shipment by Highway

When signed by the employer, this document represents a Record of Training that meets the requirements of 49 C.F.R. § 172.704(d). This Record of Training should be retained in the employee's file for a minimum of 36 months and must be made available upon request to the employee or appropriate national authority. Copies of the training materials used to meet the training requirements were provided to the employee and included excerpts from the Title 49 of the US CFR, the 2020 ERG, and a workbook of slides and exercises. The employee has confirmed their ownership of the 2020 IATA DGR Manual upon which the course was predominantly based.

We certify that the above-named employee was trained and tested as required by 49 C.F.R. Part 172 subpart H.
